Description: Stephanie's boyfriend Benjamin (white) sent her to handle the drug deal he had setup with Moye & Hardwick. Stephanie drove to meet with the two who, after examining the \$250 worth of marijuana for sale, robbed her, with Moye shooting Stephanie in the neck, then the head, before Hardwick shot her dog Duke. Stephanie's body was tossed into the back seat before the two drove her car around smoking marijuana as she lay bleeding to death for about 20 minutes before dying. They slept at Moye's house for the night before disposing of her car the next day.
