Location: Trenton, NJ

Victim(s): Kristin Gale Huggins 22

Attacker(s): Ambrose Harris, Gloria Lynne Dunn

Description: Harris, a lifelong felon, set out to commit a robbery. He told Dunn he would carjack someone. If the victim was black, he would tie them up, but if the victim was white, he would kill him/her. He carjacked Kristin making her sit on Dunn's lap as they left the area. At a separate location, Harris ordered Kristin to take off her clothes. When she refused, saying she was a virgin, Harris pulled down her sweats and brutally sodomized her anyway, calling her names as she cried in pain and pleaded for him to stop. He then ordered her into her trunk, before changing his mind and ordering her back out, shooting her in the back of the head as she did. He later shot her a second time in the face, before tossing her body face down into a shallow grave. They stole the \$30 she had on her and her ATM card, before driving off. They attempted to use her ATM card, before attempting to sell her car, before covering it with mud and slashing the tires when they were unable to complete the sale. Her badly decomposed body was found 2 months later.
